Subject : Request for a Meeting to Discuss Project Proposal

Dear Professor,

I hope you are doing well. I am writing to request a meeting with you to discuss my project proposal before the submission deadline. I have been working on the project proposal. Would appreciate your valuable guidance and feedback to improve its quality.

I would like to discuss the objectives, methodology and overall structure of the project proposal. I also have a question regarding the content and would appreciate your suggestions on any changes or improvements that may be necessary before the final submission.

I am available on Monday between 10:00 AM and 11:00 AM Tuesday between 2:00 PM and 3:00 PM or Wednesday between 11:00 AM and 12:00 PM. Kindly let me know which of these time slots would be convenient, for you. If none of these options suits your schedule, I would be happy to adjust my availability.

I will ensure that all the relevant documents and questions are prepared before the meeting so that we can discuss the project proposal effectively. Your guidance will help me make the improvements and complete the project successfully.

Thank you for your valuable time and support. I look forward to your response and guidance.

Regards,

WAFA MEHAJABEEN (2620030428)

TAHSEEN UNNISA (2620080015)

JAYA SINDHURA (2620030140)
